The Asian Development Education Program

The Development Education Workshop is an intensive personal motivation and awareness-raising process that begins with participating in a five-day residential workshop conducted by the Association of Asian Confederation of Credit Unions.

The Asian Development Education Program started in 1999. After attending the Australian DE Program, ACCU has generated tremendous motivation and obligation to replicate the Australian DEP course in Asia.

From 1999 to 2004, CUFA had supported this endeavor to multiply the impact to as many Asian credit unions as possible. WAW Credit Union in Australia continued to support the Asian DE program from 2005.

Development Educators extend to every part of the Asia Pacific and Africa (Australia, Bangladesh, Fiji, Philippines, Taiwan, Timor-Leste, Thailand, Sri Lanka, Malaysia, Mauritius, Nepal, New Zealand, Singapore, Indonesia, Cambodia, Hong Kong, Korea, Kenya, UK, USA). Asian DE program emphasizes enhancing presentation skills and provides inputs on the burning issues affecting the viability and growth of credit unions. Understanding the development issues will keep the DEs more appreciative of the value of their jobs as they play an essential role in building solid financial cooperatives for the community.

With the support of all members, ACCU is facing a new decade of commitment to offer this unique educational and transformational experience for credit union leaders and professionals in Asia through the DE program. Since 1999, ACCU has certified 964 DEs. They have performed exceptionally well in their presentations, developed self-confidence, and widened their understanding of the global credit union system and issues.
