

Virtual Credit Union Study Program

Exponent Credit Cooperative is a member of the PFCCO Network. Its field of membership is in a community where most residents are farmers, traders, small entrepreneurs, and homemakers.

On the onset of COVID 19, beginning 2020, the cooperative officially started its operations. The program features the cooperative's adoption of the Kaya Payment Platform and business development services to gain traction in serving its members and proving its worth as a cooperative financial institution that builds people's lives.

Time: 09:45 AM (ICT) on Wednesday, October 6, 2021 – Zoom Meeting
