

WHAT IS THE ASIAN DEVELOPMENT EDUCATION PROGRAM?

The Development Education Workshop is an intensive personal motivation and awareness-raising process that begins with participation in a seven-day residential workshop conducted by the Association of Asian Confederation of Credit Unions.

The Asian Development Education Program started in 1999. The program shares the unique experience and culture of development educators extending to every part of the Asia Pacific and Africa (Australia, Bangladesh, Fiji, Philippines, Taiwan ROC, Timor-Leste, Thailand, Sri Lanka, Malaysia, Mauritius, Nepal, New Zealand, Singapore, Indonesia, Cambodia, Hong Kong, Korea, Kenya, UK, USA, and Lao PDR).

Asian DE Program emphasizes the enhancement of presentation skills and provides inputs on the burning issues affecting the viability and growth of credit unions. Understanding the development issues will keep the DEs more appreciative of the value of their jobs as they play an essential role in building solid financial cooperatives for the community.

With the support of all members, ACCU is facing a new decade of commitment to offering this unique educational and transformational experience for credit union leaders and professionals in Asia through the DE program. Since 1999, ACCU has certified 1,034 DEs. They have performed exceptionally well in their presentations, developed self-confidence, and widened their understanding of the global credit union system and issues.
