VIRTUAL EXPOSURE TO  
SAN DIONISIO CREDIT COOPERATIVE  
(Philippines)

**Green Transition for a Resilient  
Cooperative and Society**

Time: 09:45 AM (ICT)

Date: Tuesday, November 8, 2022 Venue: Zoom Meeting

San Dionisio Credit Cooperative (SDCC) devoted one of its missions to bringing up innovative, conventional cooperative environmental programs for its community's total well-being and the environment's preservation.

Climate change is affecting every country on every continent. It is disrupting national economies and affecting lives. Weather patterns are changing, sea levels are rising, and weather events are becoming more extreme. Saving lives and livelihoods requires urgent action to address both the pandemic and the climate emergency.

SDCC presented replicable Climate Action programs at the recent Asian Credit Union Forum organized by ACCU in Thailand last August 2022.

We take this virtual study visit as an opportune time to dive deep into SDCC's Climate Action programs. In response to Bangkok Declaration No. 1 on Climate Action, ACCU features SDCC's strategies and implementation of environmental-friendly policies and practices, the introduction of the

SHEPHERD program, and its 5-A's concept framework: Awareness, Absorption, Appreciation, Application, and Assessment.

We cordially invite all leaders and cooperators to visit SDCC virtually on November 8, 2022.

## Why?

Per our commitment, ACCU will integrate the implementation of the Bangkok Declaration 2022 into our programs. The Virtual Credit Union Exposure Program, a platform to exchange good practices, is an excellent platform to address the ten action points of the declaration. Thus, from this date forward, the Virtual study will focus on climate action, financial wellness, digitalization, BDS, ACCESS, intergenerational solidarity, and integration. In this virtual visit, we will feature the climate action programs of SDCC.

## What to Expect?

The program includes the following:

- Video and PowerPoint presentations.
- Interviews with members
- Tour around the community where the credit union/cooperative operates.

## Who should attend?

Credit Union and Savings and Credit Cooperative leaders, practitioners, volunteers, managers, and staff.
